

# MISSION STATEMENT

Vector Corporation provides equipment and processing solutions to companies around the world. Our knowledgeable, dedicated employees have a long and proud history of being committed to provide our customers exceptional service and support.

It is our Vision to become our customers most trusted and valuable supplier.

To achieve our Vision and Mission, we affirm our values of Integrity, Respect for People, Customer Focus, Community, Suppliers, Performance, and Quality.

**INTEGRITY**

We expect that all personal and company activities are completed using the highest ethical standards. Our company's shareholders, customers and suppliers with whom we do business, and our fellow employees must be able to trust what we say and believe we will always keep our word.

**RESPECT FOR PEOPLE**

We recognize that people are the cornerstone of Vector's success and we are proud of Vector's history of treating people with respect and dignity.

**CUSTOMER FOCUS**

We are deeply committed to meeting the needs of our customers, and we constantly focus on customer satisfaction. We listen to our customers.

**COMMUNITY**

We play an active role in making our community in which we operate a better place to live and work. We have established many environmentally sound practices in our business.

**SUPPLIERS**

We seek strong, long-lasting relationships with our suppliers. We look for suppliers and business partners who demonstrate similar values and support our commitment to quality.

**PERFORMANCE**

We strive for improvement in our performance and focus on measurables that will make Vector a stronger company. We realize that business and risk are inseparable, so we constantly identify and manage risks that may impact our business.

**QUALITY**

Since 1972, Vector has been dedicated to the delivery of quality equipment around the world. Our focus on the needs of our customers drives us to continuously improve the quality, design and reliability of our products and services.
